TYPE OF OCCUPANCY DWELLING		JOISTS - CEILING			BY				
SIZE OF BUILDING TOTAL FLOOR AREA					NOTICE: This permit does NOT INCLUDE any construction within the public right of way. Attention is particularly called to the cutting up of streets, driveways and curbs, making main sewer, gas or electric connections. Permits must be obtained for all accessory buildings. Certificates of occupancy must be applied for before final inspection. The building law shall be complied with in the erection of the building whether otherwise specified or not. That all workmen who are or will be employed in the work applied for hereunder are, or at all times during such employment, will be covered by Workmen's Compensation Insurance as required by the laws of the State of California. Application to be accompanied by two sets of plans and specifications together with plot plan. I hereby acknowledge that I have read this application and state that the above is correct, and further I agree to save, indemnify and keep harmless the City of San Mateo against all liabilities, judgments, costs and expenses which may in any wise accrue against said city in consequence of the granting of this permit, or from the use or occupancy of any sidewalk, street or subsidewalk placed by virtue thereof, and will in all things strictly comply with the conditions of this permit, the building, fire and zoning ordinances of the City of San Mateo and all applicable state laws.
